

Mangakahia Sports & Community Complex

**** Book Launch - April 2026 ****

The Mangakahia Sports & Community Complex was officially opened on 17th April 1976 and we will be celebrating 50 years in 2026.

As part of these commemorations we are planning a book release as a legacy record of the first half century and would love to have you include your stories and memories. We can assist in recording stories if required and all documents and photos will be scanned and originals returned to you.

The cutoff date is 30th November 2025
